Company Overview

CaterQuotes

Who are CaterQuotes?

CQ

Technology Solutions for the Foodservice Equipment and Supplies Industry

Save time, increase efficiency and drive sales with CaterQuotes.

Quickly build complete and accurate quotations with one online application – CQ. It's CaterQuotes' configure, price, quote (CPQ) software with our exclusive online Catalogue.

Compare detailed product and price information with just a few clicks. A few more clicks will generate customised quotations ready to send your customers.

You can trust CQ for accurate, reliable decision-making information more comprehensive than any e-commerce site or product catalogue. We work with our publishing manufacturers to ensure the most up-to-date product and price information.

Manufacturers & Vendors
## Showcase Your Products

Publish in the CQ Catalogue and ensure that dealers, distributors and reps can find and quote your products - fast. Raise your visibility and present your products with all the decision-making information customers need.

Dealers, Consultants & Designers
Design Smarter

Design is becoming an integrated part of the quoting process. Extend the functionality of your AutoCAD software and create powerful commercial kitchens designs with the CQ Designer Plug-In.

Dealers, Distributors, Reps & Consultants
Quote Fast

Search the CQ Catalogue and quickly build accurate, customised quotes for your customers with one online application — no more clicking multiple websites or flipping through paper catalogues.

Features

Searchability

Easily search the Catalogue by manufacturer, model number, brand, category or keyword. With three different interfaces, you can search using the view that works best for you.
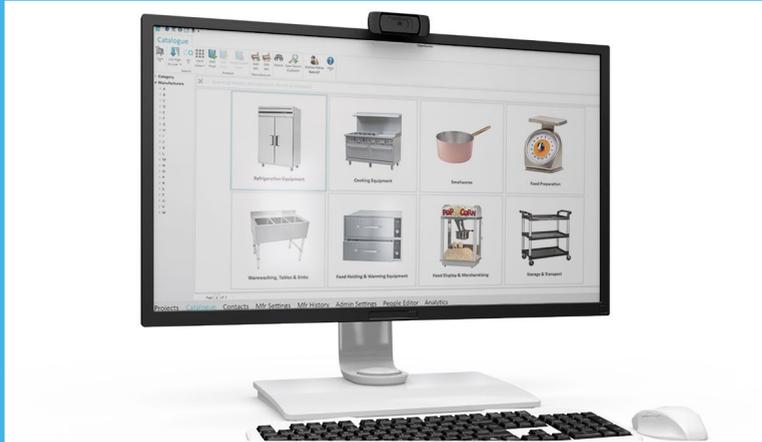

Accuracy

Product pricing and data is always up to date. No need to check for prices, your CaterQuotes system is accurate from the moment you login.

Comprehensive

Search and quote over 154,000 items from more than 200 equipment, light equipment and smallwares manufacturers.
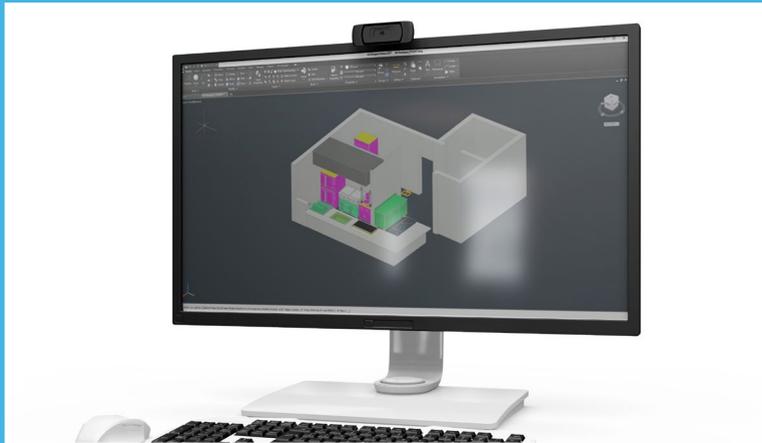

Everything in one place

Find all the product information you need to create a customised quotation including detailed descriptions, spec sheets, configurations, technical manuals and more.

Products & Solutions

CQ Catalogue & Software

CaterQuotes is trusted to quote more than £5,000,000 daily.

Connecting the UK's most comprehensive Catalogue with CQ's configure, price, quote (CPQ) software allows you to build quotations with accurate information, complex configurations and up-to-date pricing - fast.

CQ Design Solutions

Design and Quote - Together

Integrates your existing AutoCAD software to CQ's configure, price, quote (CPQ) software and online CQ Catalogue. Automatically populate your drawings with CAD blocks from the Catalogue. Changes to quotation or design automatically notifies the other. The plug-in includes 3-D functionality.
